EDUCATION

The University of Hong Kong

Sep 2024 - May 2028(Expected)

Bachelor of Business Administration (Double Major in Marketing and Finance)

Key coursework: Introduction to Marketing, Introduction to Financial Accounting, Introductory Microeconomics, Corporate Finance, Analysis of Economic Data, Principles of Management, Introductory Econometrics

PROFESSIONAL EXPERIENCE

Ipsos Strategy3

May 2026 – Aug 2026

Consulting Intern, Strategic Consulting

- Supported China medical market research and strategy projects, conducting and synthesizing expert interviews to generate competitive insights for client discussions.
- Produced client-ready strategy reports and competitive intelligence materials, iterating multiple rounds to improve clarity and strategic relevance.
- Built competitor positioning frameworks and analyzed sales data in Excel to identify key market trends and opportunities.
- Developed and refined consulting-style PowerPoint presentations with structured frameworks and clear storytelling for internal reviews and client deliverables.

Roland Berger

Nov 2025 – Feb 2026

PTA, Strategic Consulting Department

- Supported new energy vehicle brand launch strategy through industry research, expert interviews, and detailed meeting minutes.
- Sourced and engaged industry KOLs/KOCs during go-to-market planning; built client-ready PowerPoint decks on marketing strategy.
- Designed target-customer questionnaires and analyzed preference data to inform market positioning and launch decisions.

PROJECT EXPERIENCE

Case Analysis and Presentation (Course Project – Asia Case Research Center)

Jan 2026 – Apr 2026

- Conducted case studies on Tencent AI, Volkswagen, Maxim's Cakes, and a local HK restaurant (Bistro Concept).
- Proposed creative solutions, identified strategic/operational risks, and performed financial analyses (profitability, breakeven, ROI).
- Presented findings to peers and received direct feedback from industry professionals, refining logic and client-centric storytelling.

EXTRACURRICULAR EXPERIENCES

Oliver Wyman IMPACT Hong Kong Competition

The Ordinary AI Growth Strategy Case

Apr 2026

- Participated in Oliver Wyman's annual undergraduate case competition, developing a growth strategy for The Ordinary (Estée Lauder subsidiary) as part of a 4-person team.
- Contributed to product matrix construction and competitor benchmarking, identifying key opportunity in the affordable high-potency skincare segment and AI integration gap versus peers.
- Designed the 2+1 AI Experience framework (offline AI Lab + AI-powered retail shelf + online full-cycle TOI Agent) to address client challenges in the AI-driven market.

HKU Mandarin Debate Team

Jan 2025 – Present

Vice President (Publicity)

- Contributed to team's runner-up finish at the World Chinese Freshman Debate Invitational Tournament (Shixin Cup) as a core team member.
- Boosted team visibility by managing WeChat content strategy, creating graphic posts with Canva and Xiumi. Increased engagement through interview series and event recaps; one article reached over 4000 reads, expanding the team's audience.
- Maintained consistent brand messaging across digital channels, strengthening the team's public presence.
